Introduction

THE KING SOLOMON ORACLE DECK contains 36 cards, which explore the significant situations and profound questions we deal with throughout our lives. When used for readings, these cards will bestow powerful insight into current situations and future outlooks.

The profound wisdom of King Solomon is legendary around the world. The magical signet ring he received from heaven inspired the seals that have become powerful symbols in Judaism, Christianity, and Islam, and are widely used in charms and talismans. Solomon's Seals possess different energy frequencies, and represent various situations and personal characteristics. These oracle cards are endowed with powerful energies and naturally augment the reader's intuition.

There are several types of symbols appearing on each card. One is a Solomon Seal that looks like a stamp. The seals used on these cards are older version of the seals, which contain angel names. Some cards carry a Goatic symbol, which originated as pagan symbols, each representing specific energetic traits. Their purpose is to transfer information from the subconscious to the conscious mind through symbolization.

The other symbols are frameless text written in ancient script. Portions of these scripts incorporate the “72 names of God”—the kabbalistic names, which represent unique strengths. They are written here, not in Hebrew letters, but in angel writing. The seals and texts are placed differently on each card, according to the layout of the artwork.

The meaning of each card is presented with original artwork that contains mystical symbols and hidden messages. The metaphysical images help you in connecting spiritually to the matter of your inquiry and give you a more profound understanding of the answers that you receive. The cards can help you analyze situations, find methods to solve problems, and make informed choices about the future.

The King Solomon Oracle Cards were created as a personal deck for your daily use. You don't need to be an expert card reader to use them. Morning readings will prepare you for the day ahead, especially before important events. With minimal practice you will even be able to perform readings for other people. At the end of this booklet you will find several spreads, which can be used in accordance with the different issues you are looking to clarify.

The Four Amulet Cards

IN ADDITION TO THE 36 King Solomon Oracle Cards, at the top of the deck you will find four special cards of extraordinary value. (These amulet cards are not part of the 36-card deck and are not intended to be used in the readings you conduct.) These are your own personal, sacred amulets that you may keep at home or carry with you wherever you go. These charms were written in Angel's Writing and ancient Goatic symbols by the kabbalist Itzhak Mizrahi. They will influence every aspect of your life with their blessings as long as they are in your possession. The effects of the amulet cards can usually be felt after about 21 days. After 40 days, their sacred power can be sensed quite noticeably. In order to dedicate the amulet to yourself, you should write your name and your mother's name on the back of the card, in the designated space. *For example:* "Moses son of Sarah." It is recommended to keep one or two of these cards with you at all times.

MEANINGS OF THE AMULET CARDS:

Card I—Livelihood: The bearer of this amulet will be blessed with abundant income, increased wealth, and good fortune in everything they do.

Card II—Relationships: The bearer of this amulet will find a romantic relationship that is most fitting to them or improve upon their existing relationship.

Card III—Health: The bearer of this amulet will improve his/her health and be protected from injury and illness.

Card IV—Security and Protection: The bearer of this amulet will be sheltered and protected from the evil eye and negative energies. Their path will be safe and all their actions successful.

Working with the King Solomon Oracle Cards

SIT COMFORTABLY AND concentrate on your breathing. With each deep breath envision yourself inhaling light and positive energy. As you exhale, release all negative energy from within. After 10 breaths, you should feel calm and focused, and ready to read the cards. Hold the King Solomon deck in your hands and feel the powerful energy that radiates from the cards. Connect with them and put your faith into the answers you will receive.

Shuffle the cards, allowing some to become inverted. (Some card images will be upside down.) Focus on your question, spread the cards out on the table, and draw the number of cards necessary for the reading you have chosen. You will find three different recommended card spreads at the end of this booklet. It is important to focus on a single question when drawing each card. When reading for someone else, the querent should be instructed to state his/her question out loud. *Remember:* an unclear question will result in an unclear answer.

FOR EACH CARD, MEANINGS ARE GIVEN FOR THREE DIFFERENT AREAS:

- ❖ The situation
- ❖ The person you are inquiring about
- ❖ Advice on the action to take.

Each area of meaning has a number of possible interpretations, which are presented on the following pages, separated by slashes. One or more of these meanings will be the appropriate answer to your question. Your logic and intuition will guide you in the interpretation of the answers you receive. Most of the cards have an additional meaning when they are inverted.

IMPORTANT NOTE: WHEN NOT TO READ THE CARDS:

When drawing a single card, you may sometimes receive an answer that seems unclear or irrelevant. If this is the case, stop the reading—the event you are anticipating, or the day ahead is unpredictable. Accept and embrace whatever comes your way.

If you are performing a more complex reading that requires more than one card and you don't receive an answer that addresses your question, or if you are unable to find a clear and logical connection between the question and the
