# Introduction

The Women's Suffrage Playing Card deck presents milestone events, organizations, and notable women and men of the American Suffrage movement leading up to the passage of the 19th Amendment and its ratification on August 18, 1920. Highlights include the pioneering women like Elizabeth Cady Stanton

and Lucretia Mott who helped organize the historic Seneca Falls Woman's Rights Convention in July of 1848. The deck is organized into four suits: SPADES, Key Events and People; HEARTS, The Antebellums; CLUBS, The Militants; and DIAMONDS, Activists and Politicians. Shown here are glimpses of some of the struggles and hardships endured along the way including the violent Watch Fires protests and the Night of Terror leading to the incarcer-

ation and mistreatment of 33 suffragettes. Also portrayed are the inspiring heroines such as Ida B. Wells-Barnett and the victorious moments that shaped history.

## SAMPLE

Note: This 54-card deck includes two Jokers, which were drawn in the style of humorous vintage Suffrage postcards. Postcards were important tools for conveying political and cultural messages, sometimes through satire.
